Mistérios Aquáticos – ALPHA TESTING

Full product to encourage exercise and collect real world rewards!

How to play?

1º Register at misteriosaquaticos.pt

Scanning the QR code will take you to the website:

Use your student number and pick a nickname.

2º After registration you will get a QR code. In the game menu, point the given QR code to the camera. The game should start.

If you lost the initial QR code, it is possible to generate another QR code to enter the game.

3º That's it! You can now start playing!

Feel free to leave any constructive comments! They are more than welcome!
